# Read EIS Data

CGDI-MB OAS 4 20 107

EIS

Read/Write Key

**Compute Password**

Generate EE

Auto Computer

ELV

Welcome to use!

### Collect Data and Upload the File

EIS Type:

1. Insert the original car key into the EIS  
2. Insert key into the CGMB device and wait for the collection  
3. Insert the car key into the EIS 10s and dial out  
4. Insert the key into the EIS  
5. Unplug the key for 5 seconds and then insert the key into EIS  
6. Insert the key into the CGMB device  
7. Save the generated files

### Query the Server and Wait For the Results

Key password

**Operation Tip:**

1. Please choose the way to collect the key first, and then click the 'Collect Data' button
2. After the collection is completed, click the 'Upload Data' button to upload the collected data
3. Click the 'Query Result' button and check the 'Auto Refresh' option, the program will start the automatic query.

Copy key with key  
 Copy key without key

Auto Refresh

Enter "computer password", choose "copy key with key" (If you lost all stuff, you can choose "copy key without key")
